

PRESS RELEASE

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

**MJC (SA) COMMENDS THE SOUTH AFRICAN POLICE (SAPS) FOR SOLVING the
RAJAH KIDNAPPING CASE.**

All Praises and Thanks are due to Almighty Allah our Creator and Protector who has indeed answered the prayers of our community for the safe return of victims of kidnappings in the Western Cape.

For weeks the MJC appealed to the community to intensify their supplications to the Almighty to return those victims of kidnappings to their families and loved ones. Alhamdulillah, today, we are pleased with reports that Mr Ismail Rajah, who was kidnapped in March 2022, was safely reunited with his family, this, approximately two weeks after Shareen Essop, a resident of Manenberg, was also reunited with her family after being captive for 3 weeks.

Major-General Feroz Khan, who heads the SAPS Counter and Security Intelligence Unit, thanked the MJC(SA) and the community for their supplications for assistance in solving the case. The MJC (SA) thanks Major-General Feroz Khan and his dedicated team for their efforts in securing the release of Mr Rajah.

With so much negativity surrounding service delivery in South Africa, safety and security included, breakthroughs such as the Rajah case should give hope to our community that there are people in our service delivery chain who want to make a difference.

May Almighty Allah guide those who have accepted the responsibility of providing critical services to the community and grant them a heightened moral conscious when performing their entrusted duties. Amin

We pray for the safety and security of our country.
